

Reutilization of Urban Street Space: International and Local Examples

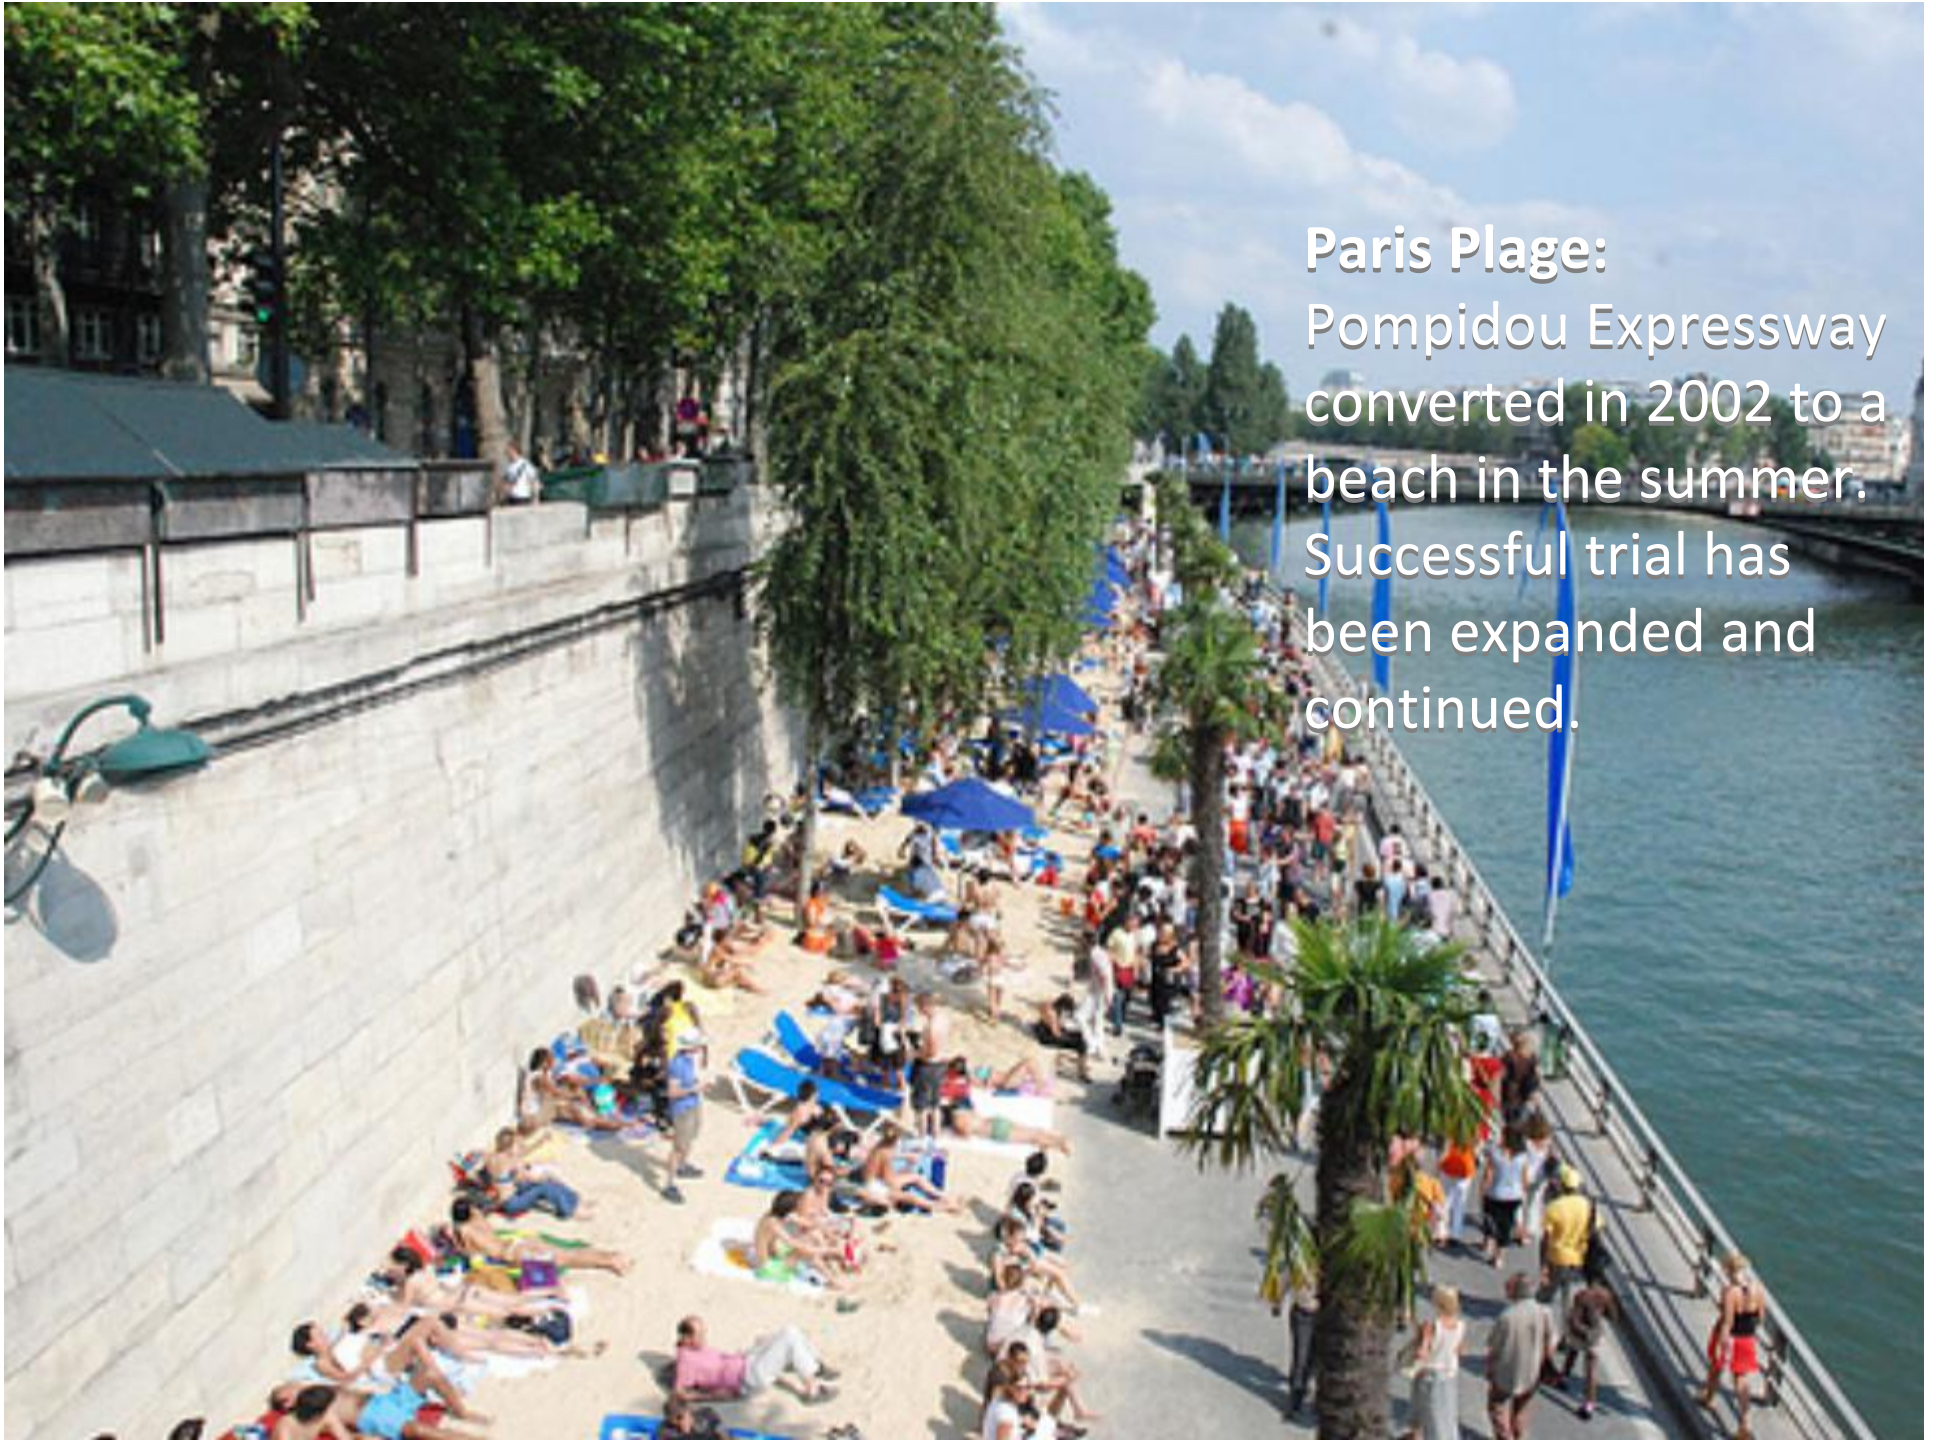

SPUR

June 22, 2011

Paris: Different ways to allocate space

Paris Plage:
Pompidou Expressway converted in 2002 to a beach in the summer. Successful trial has been expanded and continued.

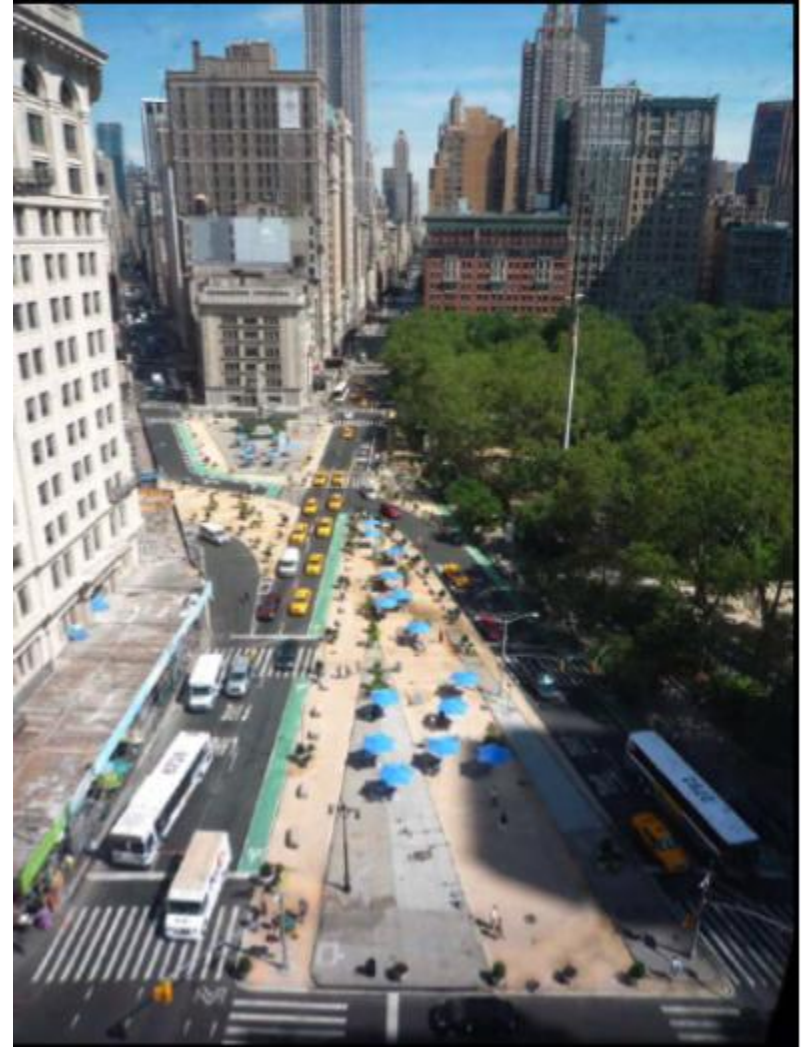

New York City – Willoughby Plaza

New York City – Times Square Plaza

Before

After

Broadway Boulevard:
Times Square becomes a great place to sit, even before the space is built out. This will become a more permanent looking trial plaza.
